Re: Docket E-20994 AM12

Dear Ms. Stump:

On March 12, 2013, ITC Midwest (ITC) filed a petition for the 12th amendment to Franchise No. 16945, issued in Docket No. E-20994. However it was subsequently determined that the proposed project would not require an amendment to franchise, but rather a new franchise requiring a new petition and a new docket number. On May 8, 2013, ITC filed a letter withdrawing the petition and filings related to the 12th amendment to franchise, and a petition for new franchise for the project, now assigned to Docket No. E-22121, was subsequently filed on May 17, 2013. However, the petition for a 12th amendment to the franchise in Docket No. E-20994 still remains open, no longer serving a purpose. Since the petition for amendment was withdrawn prior to a publication of public notice, 199 IAC 11.7(1) allows the docket to be closed without formal action. Therefore, Amendment 12 to Franchise No. 16945 in Docket No. E-20994 has been closed.
